Four directions, all in the Cobalt / Ember / Solar brand palette. Reference them by letter (A–D) and tell me which to move forward — or mix elements between them.

A **Classic Shield**
Stars, ribbon, and STEM icon tiles — scholastic and trustworthy.

B **Championship Roundel**
Circular seal, arced motto, and trophy — collegiate and competitive.

C **Hexagon Tech Crest**
Robot mascot and gear on a hex badge — playful and kid-facing.

D **Esports Shield**
Banner wings, bold wordmark, hard-edged tag — modern and gaming-forward.
